Insurance premium rates continue to rise and employers are footing the bill for decisions that are often unfair. The laws in all states are written to protect injured workers, regardless of foul play or abuse of the system. Fraudulent claims are very common and difficult to disprove, and the checks and balances are largely absent. **Stop Claims Corp.** can help you petition, protest, and appeal claims using expert knowledge and evidence.

COMMON UNFAIR DECISIONS INCLUDE:

- Palliative Care (Chiropractic & Massage Treatments)
- Occupational Disease
- Unabating or Prolonged Claim
- Depression, Anxiety, & PTSD
- Chronic Pain and Opiate Abuse
- Fraud
- Third Party Injury
- Vocational Retraining
- Other Personal Injuries
